

NOTICE

BASIC INFORMATION

Position available within the research project entitled: "Early literacy of Roma children from Romania: Bridging the socio-economic divide" (ELIRA 2.0), project funded by SEE and Norway Grants, grant number 10/2019.

Title*: *Postdoctoral researcher in the field of educational psychology*

Offer Description*: The department of Psychology from Babes-Bolyai University is inviting applications for 1 full-time position postdoctoral researcher in the field of educational psychology. The position is tied to the ELIRA 2.0 research project (PI Dacian Dolean) and will last 36 months. The candidate is expected to contribute to statistical analysis of the data and to work collaboratively to publish the results. Expected qualifications: A PhD in educational psychology (or related field) with background knowledge in the development of language and literacy skills of elementary school students, significant publication record of advanced research in this field, expertise with advanced statistical analysis such as structural equation modeling, latent variables, path analysis, multilevel analysis. Preferred qualifications: Familiarity with languages with rather transparent orthography; experience working with Roma children and/or children from disadvantaged communities. The application will contain an application letter, curriculum vitae, copies of the degrees earned and a copy of a picture ID. Additional questions regarding the position should be directed by email at dorin.dolean@ubbcluj.ro.
