

**The application support scheme for PNRR grants, Component 9, Initiative 8 (ERC-like grant) for the development of a programme to recruit highly specialised human resources from abroad for research, development, innovation activities at UBB, as well as for other national/international grants running through Babeş-Bolyai University Cluj-Napoca**

Researchers from abroad/outside UBB who wish to apply through Babeş-Bolyai University of Cluj-Napoca for Initiative 8 grants or for other grants from national/international competitions run through UBB, are invited to submit an application to the UBB Scientific Council (email: [consiliul.stiintific@ubbcluj.ro](mailto:consiliul.stiintific@ubbcluj.ro)), which will include:

1. A brief description of the grant proposal (field, theme, a brief abstract, motivation for choosing UBB as host university, anticipated results, availability of time in relation to the work carried out within the university);
2. Curriculum Vitae (including list of publications, grants won (type/ euro value), international networks that the applicant belongs to);
3. Indication of whether there has been a previous collaboration with UBB and indication of whether the researcher may have secured the support of a UBB research unit or individual UBB researchers for the grant.

The UBB Scientific Council will evaluate and make recommendations on whether UBB should consider supporting the application.
